## TUNNEL to TOWERS RUN

On Sept. 11, 2001, a 34 year old firefighter took his final heroic steps as he ran with his gear through the Brooklyn Battery Tunnel to the World Trade Center to help save others. Thousands of lives were saved that day, but this was not to be Stephen Siller's destiny. The RUN traces the footsteps he took on that fateful day. In running along his path, the 10th annual run honors not only Stephen, but also his firefighter brothers and all those brave individuals who perished on 9/11.

### WHY A GOLF TOURNAMENT?

On that tragic summer's day, 9/11/01, Stephen had just completed his scheduled tour with the FDNY, and was traveling to meet his brothers to play an innocent round of GOLF. However, he decided to go back and help others, and unfortunately the innocence of an entire nation died that day.

**ONE HERO HONORS ANOTHER**

On Staten Island we exceeded our goal to raise \$500,000 to build a new home for Staten Islander U.S. Army Spc. Brendan Marrocco our American hero, America's surviving first quadruple amputee war veteran. The building of Brendan's home in Princes Bay was accomplished with the help of so many charitable Islanders and organizations, as well as many local contractors, laborers and businesses. Now, we're building two more homes for two other surviving quadruple amputees.
